Further Information

On the Road Prices. The On the Road Price includes First 12 months Government Vehicle Excise Duty (VED), £55 Government First Registration Fee, number plates and delivery to the Fiat Dealership.

VED rates are determined by vehicles' CO₂ emissions figures. Introduced June 2011, there is now a different Vehicle Tax rate for new cars when they are first registered (First-year rate).

From the second tax disc onwards customers will pay the Standard rate.

The table below outlines the different VED Bands and applies to vehicles registered on or after 1st April 2016:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
