5 Year Warranty

Warranty:

Fiat build cars to the highest possible standards and each vehicle is subjected to numerous checks and inspections before they leave the factory. Once on the road your car is protected by three different warranties.

Fully Covered:

Your Fiat has the backing of a:

1. **Fiat Warranty- 5 Year or 100.000 km**

If your new Fiat should breakdown or suffer any defects due to faulty materials or workmanship, it is protected by a 5 Year Manufacturers Warranty. A car is a complex piece of technology and you can't beat that feeling of total confidence you get during the first 5 years of manufacturer warranty cover.

2. **Paintwork Warranty- 3 years**

If your new Fiat should suffer any paint defects on body panels, we will repair it free of charge, under the 3 year unlimited mileage paintwork warranty.

3. **Anti-Perforation Warranty- 8 years**

If your new Fiat should suffer corrosion causing perforation of a body panel from the inside you are covered by our 8 Year Anti-Perforation Warranty.

So, apart from routine adjustments and servicing items made necessary by fair wear and tear, everything from the engine to the bodywork is guaranteed.

Additional Cover

1. **The Genuine Article; 12 month unlimited mileage warranty**

Fiat Genuine Parts are designed and built to the exact tolerance needed by your Fiat, using precisely the same specified material as the original component. Each part is subjected to the same rigorous quality controls as your car, offering high quality and safety. So, not only are they a perfect fit, but you can rest easy in the knowledge that they'll perform as well as your Fiat. We guarantee their performance and include a 12 month unlimited mileage warranty on each and every component. We don't just maintain your car; we provide peace of mind to you.

Terms and conditions are contained in the Fiat Aftercare booklet.

Roadside Assist Service:

As part of our 5 year warranty you get the extra benefit of 5 years FIAT Roadside Assistance. In the unlikely event of a breakdown or accident, FIAT Roadside Assistance provides you with 24 hour cover through our specialist call handling staff, to ensure a fast response to your call.

This is a service designed to minimise any possible interruption to your journey caused by a problem with your car and the associated inconvenience to you and your passengers. Your FIAT vehicle can be towed to the selling dealer (if within 60km) alternatively to the nearest FGA Service Centre without any mileage limit.

Your registration number is your membership number.

Should you break down just call the FIAT Freecall Number with the following details:

- The Registration of your vehicle
- Exact location of the vehicle
- Nature of the breakdown

Once you've made the call, return to your vehicle and Fiat's Roadside Assistance will be with you as soon as possible.
